

ENVIRONMENTAL POLICY

At Dunstans we understand how important it is to protect the environment in which we work and conserve it for future generations.

We are constantly looking for ways to reduce our impact on the environment and local communities.

As a company we are committed to reducing our overall environmental impact and becoming a leader in sustainability.

DUNSTANS WILL:

- ♦ **INTEGRATE** good environmental management practices into all activities.
- ♦ **MANAGE** environmental risks on a site-specific basis to achieve planned environmental outcomes.
- ♦ **COMPLY** with relevant regulatory and other obligations.
- ♦ **ANALYSE** and improve the way we do business to reduce environmental risks and impacts.
- ♦ **USE** resources and energy efficiently, and minimise emissions and waste.
- ♦ **PROMOTE** environmental awareness amongst all employees and build a strong environmental culture with a sense of accountability.
- ♦ **CONSULT** with relevant stakeholders on environmental issues.
- ♦ **RESPOND** quickly and effectively to environmental incidents and learn from our experience.
